Results of 2013 Graduates
The 2013 graduating class of St Hilda’s School performed strongly in the OP 1-3 and OP 1-10 bands.

Eighteen per cent of OP-eligible students received an OP 1-3 with two students receiving an OP 1, seven students receiving an OP 2 and eight students receiving an OP 3. The percentage of OP 1-3 is almost twice the state average.

Two thirds of the 94 OP-eligible students received an OP of 1-10.

While St Hilda’s is proud of these academic results, we also are extremely pleased with the high number of Vocational Education and Training qualifications achieved by the 2013 Graduates.

Eleven students achieved a Diploma that has an OP equivalent of 8-9 and another 24 students achieved a Certificate III or IV that currently has an OP equivalence of 15.

Having students in the correct pathways has meant that 98 per cent of the 116 graduating students of 2013 received an OP or Selection Rank equivalent of 15 or under, which is an extremely impressive result.
