St Hilda’s

Karate & Self Defence Enrolment Form Term 1 2015

Where Everyone Has the Right to Feel Safe

Our Character Development programs are designed to help your child become more outgoing, make friends easier, and most importantly teaching them to try harder instead of Quitting.

Bill Wakefield teaches a verity of martial arts for all ages and gender.
For over 35 year Bill has been nurturing children in schools on the Gold Coast, using the S.T.A.R(Stop, Think, Act, Review) character development programs, Watch as your child gains confidence, energy and self esteem.
Stand and be dazzled as they become unstoppable in their quest for Academic Excellence, Unshakeable self belief, increased strength in both body and mind.

All while learning how to defend themselves whilst having fun, look at it this way, your child’s biggest problem does not come from fighting at school or beating up a bully, it comes from battling more sinister forces like their own fears, insecurities and self doubts. How do you get your child to fight these demons? Your child has a tough time talking to you about them, let alone talking about how they might conquer them.

Your child will learn both mental and physical disciplines, self control, respect, confidence and leadership skills.
Combined Martial Arts have been providing Karate and Self Defence classes to St Hilda’s children for 30 years.
